Co-organized with

Japan Society for Public Interest and Common Goods Studies

Programme

Date: October 4th, 2014 Saturday, from 10:00am

Place: Senshu University

Japan Association of Global Governance
The 5th Research Meeting/Programme

Global Governance and Public Interest

10:05-11:30 Keynote Speech (Co-organized with
Japan Society for Public Interest and Common Goods Studies)

Speaker : HARA George (Organization in Special Consultative Status with the
UN Economic and Social Council, President of the Alliance
Forum Foundation)

Theme: “Gearing up for a New Model of Public Interest Capitalism to Change
the World ”

Short Summary: A new standard of value is needed to change the flow of
shareholder-oriented capitalism. Japan must control its enormous funding
activities, and create a new and successful long-term investment model before
America and Europe do.

Discussant : ARAKI Yoshinobu (Musashino University)
Discussant : FUKUDA Koji (Waseda University)

Moderator : MATSUDA Noritada(Aoyama Gakuin University)

(This session is opened to the public)
